Dear Par Chadha:

We have reviewed your October 4, 2023 response to our comment letter and have the following comments.

Please respond to this letter within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe a comment applies to your facts and circumstances, please tell us why in your response.

After reviewing your response to this letter, we may have additional comments. Unless we note otherwise, any references to prior comments are to comments in our September 6, 2023 letter.

Form 10-K for the Fiscal Year Ended December 31, 2022

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

Note Regarding Non-GAAP Financial Measures, page 51

1. We note your response to comment 1. Please quantify for us the amount for each of the categories included in this adjustment for the years provided. Please distinguish for us the amounts that represent optimization costs from amounts for restructuring costs. Please further explain why contract costs, productivity improvement initiatives in process transformation and customer transformation costs are not critical to your operations, revenue generating activities and business strategy and thus represent normal, recurring, cash operating expenses necessary to operate your business. Also, please explain to us the difference in post-merger or acquisition integration costs included in this line item from

transaction and integration costs included in the line item related to endnote (2). Refer to Question 100.01 of the Non-GAAP Financial Measures Compliance and Disclosure Interpretations.

2. We note your response to comment 2. Please reconcile for us the amount of network outage costs included in your adjustment to the amount disclosed on page 82 for network outage. Please tell us your consideration of reducing the costs included in your

adjustment by the insurance recoveries for those costs. Refer to
Question 100.03 of the
Non-GAAP Financial Measures Compliance and Disclosure Interpretations.
In addition,
for amounts related to relocation and all other costs, please tell us
how you determined
that these costs are not normal, recurring, cash operating expenses.
Refer to Question
